

4000 pharmacies use iMedicare

to increase reimbursements,
avoid closed networks, improve star
ratings, and gain more business.

To learn more, call 704.769.0540 or
email us at sales@imedicare.com

The screenshot displays a web interface with several panels. On the left, four Medicare Part D plans are listed with their respective details:

- SmartD Rx Saver (PDP) S0064-008**: \$130 / year, Reimbursement \$736.1 / month, Preferred status.
- SilverScript Choice (PDP) S5601-016**: \$140 / year, Reimbursement \$750.23 / month - DIR: 3% / Rx.
- AARP MedicareRx Saver Plus (PDP) S5921-353**: \$162 / year, Reimbursement \$656.54 / month, Mail Order Preferred status.
- Cigna-HealthSpring Rx Secure (PDP) S5617-217 - Current Plan**: \$165 / year, Reimbursement \$546.04 / month, Chain Preferred status.

On the right, a panel shows the user is currently enrolled in the Cigna-HealthSpring Rx Secure (PDP) plan, with a full benefit dual eligible status. Below this, a drug list is shown with details for several medications, including Atorvastatin, Doxycycline, Escitalopram, Hydroxychloroquine, Omeprazole, and Naltrexone, with their last filled dates and next fill dates.

Simplify Medicare Part D

Compare Medicare plans instantly by pulling the medication profiles from your pharmacy system in seconds.

Expose Preferred Closed Networks

View preferred plans for your pharmacy and also which plans push your patients towards chains or mail-order.

Increase PBM Reimbursements

See which plans will pay you more for specific medications on specific plans and identify opportunities to make more money.

Gain More Medicare Business

Get a monthly report of patients turning 65 so you can help them navigate Medicare Part D before losing them to preferred networks.

Improve Your Star Ratings

See patient-specific changes to each drug regimen that will increase your pharmacy Star Rating and increase revenue.

Brian Freeman, PharmD
Cannon Pharmacy (6 stores)
Kannapolis, NC

The return on investment we get from iMedicare is over 10 to 20 times what we spend on it every year.
