

Sponsorship Opportunities

Rx Boot Camp is California's only leadership training event designed for and by student pharmacists. At this two-day conference, students throughout the state will unite to develop their communication and problem solving skills.

It is our vision to see all student pharmacists develop the skills needed to work effectively in teams to create innovative solutions for today's complex and rapidly changing healthcare environment. This vision is made possible through the generous support of leaders like you. We hope you'll join us in supporting students who choose to invest in themselves beyond the classroom at this event!
