CALL FOR POSTER ABSTRACTS

The California Pharmacists Association INVITES YOU to share your research, expertise and experience on topics relevant to pharmacy practice and pharmacy-focused scientific research with your peers at the Western Pharmacy Exchange – June 18-20, 2021 in Palm Springs, CA. CPhA’s annual conference will include an opportunity for original scholarly work on research and professional practice topics to be presented in a poster format. Poster presentations provide authors the opportunity to display and informally discuss their work with colleagues. Abstracts selected for poster presentations will be displayed during the Exhibit hall hours from 2:00 p.m. – 4:30 p.m. on Saturday, June 19th, 2021.

The Western Pharmacy Exchange will be a “hybrid event”. You will have the opportunity to have your poster available for viewing virtually (PDF) and in-

person (both required, if selected).

california **pharmacists** association

The California Pharmacists Association (CPhA) was founded in 1869 and is the largest state association representing pharmacists. CPhA represents pharmacists, technicians, and student pharmacists from all practice settings. These practice settings include community pharmacy (both independent owners and employees working in chain drug stores), hospitals & health-systems, and specialty practices such as compounding, managed care, and long term care. The CPhA mission is to advance the practice of pharmacy for the promotion of health. To learn more about CPhA, visit www.cpha.com.
