

October 22nd and 23rd, 2021

Taking the next step in your pharmacy career can be a daunting task and figuring out how to prepare for it can be even more confusing.

CPhA-ASP introduces *Charting Your Path* to help student pharmacists obtain the skills, tools, and information necessary to be successful in any area of pharmacy.

Choose between two tracks or join any session in any track during the event.

IPPE Track: Entry level track to help student pharmacists with the fundamentals of professional development.

APPE Track: Advanced track for future pharmacists getting ready for postgraduate life.

CPhA has convened the best in pharmacy to inspire the next generation of future pharmacists! Including residents, fellows and pharmacy leaders, our two day experience will teach future pharmacists the secrets to standing out in job searches, residency applications, fellowships, internships and more. You are already preparing for how to be a pharmacist, now let's get you ready to market yourself as a pharmacist.

Hear from current residents, fellows, and pharmacy leaders in what it takes to stand out from the crowd and how to be the best candidate you can be when searching for an internship, residency, fellowship, or your next job in pharmacy.

The two half-day interactive experience will first give you the tools to successfully research programs or job opportunities, network within the profession, and upgrade your professional presence. Then on the second day, connect with potential internship, residency, and fellowship programs and use the tips and

tricks you learned to find your next step in your pharmacy career!

When you register for the enhanced experience, you will get a comprehensive CV review with a pharmacy career coach and access to advanced interviewing video modules.
