Student Pharmacist Advocacy Night

October 21 @ 6:00 pm - 7:00 pm

FREE FOR MEMBERS

Student Pharmacists are convening virtually on October 21st at 6:00 pm for CPhA's Virtual Student Pharmacist Advocacy Night as part of the CPhA-Academy of Student Pharmacists' Legislative Week.

Student Pharmacist Advocacy Night provides an opportunity for future pharmacists to engage in a 101 on grassroots advocacy, legislation and the regulations that impact the pharmacy profession. During our virtual event, CPhA's Advocacy Experts will present real life examples of advocacy in action that have and will affect the future of pharmacy. As a future pharmacist, this is one event that will prepare you for life beyond pharmacy school and teach you to how be an effective advocate for your profession.

Speakers

CPhA CEO Susan Bonilla & Senator Josh Newman (District 29)

Discussion Topics

- Path to becoming a Legislator
- SB 362 – Pharmacy Quotas: What does this law mean for pharmacy?
- Potential Pharmacist Roles in Reducing Healthcare Costs

Charting Your Path

October 22 @ 4:00 pm - October 23 @ 3:30 pm

\$30 FOR MEMBERS

Taking the next step in your pharmacy career can be a daunting task and figuring out how to prepare for it can be even more confusing. CPhA-ASP

introduces Charting Your Path to help student pharmacists obtain the skills, tools, and information necessary to be successful in any area of pharmacy.

Student Tracks

Choose between two tracks or join any session in any track during the event.

IPPE Track: Entry level track to help student pharmacists with the fundamentals of professional development.

APPE Track: Advanced track for future pharmacists getting ready for postgraduate life.

Register for Charting Your Path here!

The California Pharmacists Association (CPhA) is the largest statewide professional association for pharmacists, student pharmacists, and pharmacy technicians in the country. CPhA represents the pharmacy profession in all practice settings and promotes the health of the public through the practice of pharmacy. For more information, visit cpha.com.
