

CPhA Calls for Policy Topics

Deadline May 6, 2022

Are there emerging trends or opportunities in our profession that you believe need new policies or standards of practice for our association to consider? Turn your ideas into CPhA policy by submitting your topics for Policy Committee consideration today!

The CPhA Policy Committee is calling for policy topics for consideration from our CPhA members. Each year the CPhA House of Delegates meets to create, amend, or remove CPhA policies to help guide the direction of the association and the profession.

Make sure to access the current [CPhA Policy Manual](#) to evaluate the policy positions the organization has on record.

The deadline to submit topics is tomorrow, May 6, 2022!
