**Medication Therapy
Management (MTM)**

**certificate training
program on June 26th**

Medi-Cal is now allowing pharmacists to be compensated for providing MTM services associated with several disease states. One of the prerequisites to be reimbursed is to have a proper certification in MTM, just like the certificate training offered by CPhA!

**CPhA is excited to announce an additional offering of
APhA's Delivering Medication Therapy Management
Services hosted by CPhA!**

Medi-Cal is allowing pharmacists to be compensated for providing Medication Therapy Management (MTM) services associated with several disease states such as HIV, Cancer, Severe Mental Illness and others requiring specialty medications. In order to be compensated for providing this service, pharmacists must sign up as an MTM provider. One of the prerequisites to signing up is to have proper certification in MTM.

Based on the feedback from our members, CPhA is offering a qualifying certificate training program on Sunday, June 26th to better align with your busy schedule. Seating is limited so to secure your spot register today!
