

On behalf of twelve California pharmacy schools, we respectfully ask for your consideration of sponsorship for the 21st Annual California Pharmacy Student Leadership (CAPSLEAD) Program.

Recently, CAPSLEAD partnered with the California Pharmacists Association (CPhA) Educational Foundation to support the mission of our leadership program. Partnership with CPhA will allow us to increase impact and expand student benefits by adding longitudinal professional development opportunities to facilitate a pathway into leadership roles within pharmacy. Together we are committed to developing pharmacy leaders of tomorrow. We are hoping you will join us in this endeavor!

CAPSLEAD strives to provide student leaders at California pharmacy schools with an opportunity to:

- Learn more about leadership, teamwork, negotiation, and conflict management
- Build effective time and team management techniques
- Interact with pharmacy faculty and other pharmacy students
- Learn about critical issues facing pharmacy leaders and the profession

The conference will be held on April 28th 2023, in conjunction with the Western Pharmacy Exchange 2023 hosted by CPhA, and will provide identified student leaders from twelve California pharmacy schools the opportunity to attend workshops that develop leadership skills to support our evolving profession. This year, thanks to our new partnership with CPhA, all CAPSLEAD student members will also receive an added benefit of accessing CPhA developed leadership and professional development programming to further enhance their experience.

The long history of support from local pharmacy leaders has made it possible for CAPSLEAD to produce over 500 alumni pharmacists that hold pharmacy leadership roles and continue to inspire more student pharmacists to apply to the program. We are confident that with committed partners like you this program will provide invaluable experiences for students and help shape future pharmacy leaders.

Thanks again for your consideration and please feel free to contact Rajan Vaidya, PharmD via email at rvaidya@cpha.com or phone by calling (916) 758-1053 should you have any questions with sponsorship.
